REPORT OF BOARD OF HEALTH.

The number of epidemic cases coming to our knowledge has been 110, as follows: Typhoid fever, 2; measles, 104 (42 cases at the Hillsborough county farm); scarlet fever, 1; diphtheria, 3: 1 fatal.

Regarding the typhoid fever cases, which occurred at the village, their source seems very obscure, as the drainage seemed perfect. The water at the village being offensive at the time, the Board sent specimens to Prof. Angell of Derry, whose analysis showed the water to be good, and free from injurious properties.

Where the first case of measles in the village arose, is disputed, but the way it spread is extremely obvious. At the farm the disease came through a prisoner.

The case of scarlet fever was at the farm, and its source was not ascertained.

One case of diphtheria occurred at the village, and its source was not ascertained to the satisfaction of the Board. The other two cases occurred at Grasmere; source was bad drainage.

Several verbal complaints and one written complaint have been received and investigated.

REPORT

OF THE

TRUSTEES OF THE ROGERS FREE LIBRARY.

Our thanks are due to the friends who have donated so many books during the past year,—about seventy-five,—and among them a full set of the works of Charles Dickens. These, with many others, are from the Misses Rogers, to whom we have been often indebted heretofore. Fifty-six new names have been added to the list of patrons during the year.

The books are in as good condition as could be expected. A few have been replaced. Books in families where contagious diseases exist are thoroughly fumigated before they are returned, or are excluded from the shelves and duplicated; and no book is allowed to go into circulation whose contents are of questionable character; and any one receiving such a book will confer a favor by calling the attention of the librarian, or any of the trustees, to it.

We annex reports of librarian and treasurer, and a list of books added during the year.

REPORT OF THE TRUSTEES OF CEMETERIES.

Another returning year has reminded us of our duty of reporting our doings.

In the Center yard the hearse house has been removed and the fence straightened and the lot purchased by S. M. Barnard, a former resident of this town, who has erected a nice monument thereon, adding very much to the appearance of that portion of the yard. The leaning headstones have been set up, which also increases the symmetry and attractiveness.

At the West village no great improvement has been made save the usual care and oversight. Many are showing a greater interest by calling for deeds of lots long since preoccupied and making improvements thereon.

We would emphasize what we said in our last report in regard to the tomb. Also very soon we must secure more land, as there are but few lots remaining.

REPORT

OF THE

BOARD OF EDUCATION OF THE INDEPENDENT DISTRICT.

The school year begins with the fall term, and we are now in the middle of the year and half way through the winter school. This report will therefore contain the statistics for the year ending Aug. 31, 1896.

Number weeks schooling during the year, 36. The officer taking the census reports in the district, between the ages of 5 and 16, 88 boys and 93 girls, a total of 181. There have been enrolled as scholars during the year between those ages, 218; whole number enrolled during the year of all ages, 119 boys and 117 girls, a total of 236. Average attendance in high school, 40; lower grades, 148; total average, 188,—95 per cent. Not attending school between 5 and 16 years of age, 15; mostly children between 5 and 6.

The attendance in the different rooms has been as follows:

	Fall.	Winter.	Spring.
High school	44	40	36
Grammar school	27	37	38
Middle school	39	35	35
Upper primary school	38	40	38
Lower primary school	43	40	40
	201	192	187

The falling off in attendance is due to the removal of families from the place on account of the depression in business.

The high school was under the charge of Mr. J. A. McDougall, assisted by Miss Bertha Pattee. Rev. Mr. Wentworth has also

instructed a class in Greek without charge to the district. His influence has been very helpful to the school, especially to those scholars who have fitted themselves for entrance to higher institutions of learning.

A class of six graduated at the close of the spring term. On the last Sabbath of the school year the Rev. Mr. Wentworth gave an interesting address to the class.

The graduating exercises were held in the hall and were of a high character, winning the approval of the large audience that gathered to listen to them. A reception was given to the class at the house of Dr. Blaisdell. An alumni association was formed with Miss Carrie Hoyt as president, and it was determined that the reception be held hereafter at the hall.

The graduates were Frank Fletcher, Harry Blaisdell, Willie Hadley, Susie Thompson, Emma Campbell, and Edith Pierce. Harry Blaisdell is now pursuing his studies at Kimball Union, Meriden, Arthur Merrill is at Phillips Exeter, Susie Thompson and Emma Campbell are at the Bridgewater normal school, and Edith Pierce is teaching. Arthur Blaisdell, that he might prepare himself for college more readily, left here and entered Phillips Exeter.

After a service of three years, Mr. McDougall resigned and accepted a position as principal of a grammar school in Northampton, Mass. Mr. McDougall was a successful teacher. His scholars were always studious and orderly. He was not only a good teacher but a helpful man in society, active and interested in whatever promised to advance the happiness and usefulness of others. He carries with him the commendations of the committee and the best wishes of parents and scholars.

The present school year began with the fall term with Mr. C. A. Crooks as principal. At the close of the term ill health compelled him to resign, and he was succeeded by Mr. Henry Stark. With this exception the teachers are the same as last year.

Mr. Stark is a well known citizen of the town, a former pupil in this school, and a graduate of Dartmouth. He is giving excellent satisfaction.

Miss Ada Loughead had charge of the grammar school during

the fall term and most of the winter term. Near the close of this term she was called to her home in Franklin Falls by the sickness of a sister, and being offered increased salary in a school there, she tendered her resignation here. She was a superior teacher, quiet in her ways, persistent in her purpose, clear in her thought, and trained by her normal school instructor in the best methods of school work. She was succeeded by Miss Lizzie Flint. Miss Flint is a resident of this town, a graduate of the high school, and of Moody's school at Northfield. She has had some experience in teaching, and won high commendation from her school officials. We believe she will prove a capable and efficient teacher. This is the only break in our corps of teachers during the year.

The grammar and intermediate rooms have not done their best work. They have allowed themselves to waste too much of their time in faultfinding, and study lost its interest. The teachers have labored faithfully and conscientiously, and deserve better treatment than has sometimes been accorded them. There has been improvement of late, and we hope a better spirit may prevail, and better results be attained. There are many bright and well disposed girls and boys in these rooms, and they must not allow the thoughtless and the roguish to engross their attention, and hinder their progress. It is not too late yet, by hard work, to make amends for the past and secure commendation and promotion. If any fail, it must be attributed to their own thoughtlessness and lack of application. From this time on let each one do his best.

We annex a list of those who have been upon the roll of honor during the year ending August, 1896.

SAMUEL UPTON,
FRANK BLAISDELL,
C. F. GEORGE,
C. F. WHITE,

REPORT

OF THE

SCHOOL BOARD OF THE TOWN DISTRICT.

The school board submit the following report:

This is the forty-seventh annual published report of the schools of the town of Goffstown, and while we notice at the present day some of the things complained of in the first report, we see a vast difference in our schools from that day. One thing complained of then was poor schoolhouses. In the main our schoolhouses now are in good state of repair, and we have endeavored to keep them in a healthful condition, as far as regards sanitary measures.

In regard to the selection of teachers we have endeavored to secure the best we could with the means at our disposal and place those best capacitated for certain schools in them, and we think in our selection we have been very fortunate, as we have had but little trouble to mar the pleasure of the school year. Our teachers have been conscientious and painstaking and have labored for the interest of the school. In some schools we have been able to retain the same teachers through the year, to the great advantage of the school. Another thing we have endeavored to bring about is a more practical instruction and to lay more stress upon the fact that with many of our boys and girls all the schooling they get is in the common school; and with this we are pleased to note a great improvement in writing, letter-writing, language lessons, practical grammar, and practical arithmetic.

Again: the spirit of patriotism and love of country, reverence and regard for the flag, is being more and more inculcated.

In the Parker and Mast-road districts neat flag-poles have been set and appropriate flags bought through the efforts of parents and scholars, and a day set apart for a flag-raising was thoroughly enjoyed by all present.

We would recommend the raising of enough additional money to give us thirty weeks of schooling for ensuing year.

We wish to thank you for the interest taken and your co-operation and support for the past year, and hope it will increase in future.

MOUNTAIN.

Spring and fall terms, taught by Miss Emma D. Todd, proved very successful, as her former ones in this district have always been. Both parents and scholars seemed to take great interest in the school.

Winter term taught by Grace M. Shearer. School small, only four in attendance the last part of term. A very commendable degree of improvement was manifest, showing good work through the term.

PERFECT ATTENDANCE.— *Three terms:* E. Helen Pierce.
One term: G. Herbert Brown.

SHIRLEY HILL.

Only one term taught by Lydia D. Shirley. School small, but interest taken by teacher and scholars made the term profitable.

KENNEDY HILL.

Fall term by W. Lewis Roberts. This was Mr. Roberts's first term, and his success was such as to justify further efforts in that direction.

Winter term taught by Edith M. Pierce. This was also Miss

Pierce's first term, and for one without experience as a teacher, she did good work. It is a pleasure to visit this school, as the scholars always accord you a warm welcome, and their behavior is such as any school would do well to follow.

PERFECT ATTENDANCE.— *Three terms :* Cora E. B. Kendrick, Shirley Roberts.

Two terms : Charles S. Kendrick, Horace Roberts.

One term : Alice Roberts, Arthur Bartlett, Edwin Smith, Delmore Smith.

MAST ROAD.

Spring term, Miss Eva B. Blaisdell teacher. Miss Blaisdell labored faithfully and the scholars made very good progress.

Fall and winter terms were taught by Miss Flora M. Walker. This was her first experience in teaching. The examinations were very good. Miss Walker is a worker, not only in the schoolroom but out of it as well, and we believe with a little experience will make one of our best teachers.

PERFECT ATTENDANCE.— *Three terms :* Arthur B. Cranshaw, Willis W. Plumer.

Two terms: Lawrenee Cranshaw, Sadie A. Cranshaw.

One term: Ernest K. Barnard, Nellie Akey, Frank W. Bartlett, Mabel P. Bartlett, Edward L. Akey.

EAST PART.

All three terms were taught by Mr. G. F. Farley, whose record as teacher and member of school board in town is too well known to be repeated. The scholars in this district seem to take great pride in keeping their schoolroom neat and making good advancement in their studies.

PERFECT ATTENDANCE.— *Three terms*: Grace M. McDuffie, Norris G. Wheeler.

Two terms : Flora A. Kimball.

One term : Ralph Cass.

TEBBETTS HILL.

Spring term was taught by Mr. R. Wooderson who maintained the best of discipline, thinking that discipline and book knowledge should be taught together.

Fall and winter terms were taught by Miss Gertrude Quimby, who by winning the confidence of her scholars succeeded in keeping one of the best schools visited.

The scholars seemed to take great interest in their studies, and their recitations were given in a manner which showed that they understood the ground covered.

GRASMERE GRAMMAR.

Spring term was taught by Miss Elizabeth M. Eaton.

Fall term by Miss Nellie J. Bumstead, who came well recommended and thoroughly sustained her recommendation. The school appeared well at examination.

Winter term was taught by Miss Elizabeth M. Eaton, making her sixth successive term, with but one exception in the same room. The scholars took great interest in their studies and made good advancement.

GRASMERE PRIMARY.

All three terms were taught by Miss May B. Tirrell, who possesses a tact together with a normal training, making her a fine instructor. She always secures the respect and confidence of her pupils. The scholars made good advancement in their studies, the school appearing well upon our visits.

GRASMERE SCHOOL.

PERFECT ATTENDANCE.— *Three terms:* Mabel A. Annis, Anna R. Copp, Etta B. Copp, Ida B. Merrill, Florence Greenwood.

Two terms: Edith P. Sweetser, Maud E. Cunningham, Willie Merrill, Bertha A. Gould, Menta Libby.

One term: Mima J. Merrill, Albert M. Greer, Adelbert Gould, George Burns, Frank W. Moran, Alonzo I. Perkins, Fred A. Spaulding, Mary George, Lulu Russell, Jennie Porter, Fred Welch, Emma Derbyshire, Lena E. Pike, Mina Lord, Clarence S. Lord.

PATTEE HILL.

The spring term was taught by Miss E. Lillian Colby, who has taught several terms in town before.

Fall and winter terms were taught by Miss Gertrude Adams. Miss Adams gained the good will of the school at once, and the examination showed that both teachers and scholars had labored for their best good.

PERFECT ATTENDANCE.— *Three terms:* Carl B. Pattee, Leigh F. Woodman.

One term: Fred E. Richardson, Richard Libbey, Myra Whipple, Ethel M. Blaisdell, Mabel Blaisdell, Maude S. Kidder.

PARKER'S.

Miss Alice Richards, teacher for the year. A good teacher, and a good school. District fortunate in retaining Miss Richards through the year.

PERFECT ATTENDANCE.— *Two terms:* Charley Bailey, Roy Bailey, Willie F. Emerson.

One term: Leon Wyman, Ralph Hoit, Ida May Foote, Eva R. Bailey, Loma E. Browne, Maude F. Story, Jessie L. Whipple, Walter Emerson.

PAGE HILL.

All three terms taught by Miss Mary E. Fletcher, with her usual good results. The examinations at the close of each term were very good. It is encouraging to visit a school where the parents show as much interest in the welfare of their children as they do in this school.

PERFECT ATTENDANCE.— *Three terms:* Lena M. Poor, Arthur A. Poor.

Two terms: G. Harold Gilmore, Roy A. Whipple, Florence E. Paige.

One term: B. Frank Davis, Edwin Waite, Nellie M. Martin, Alice I. Z. Putnam, Myra T. Whipple, Oscar E. Merrill, Nettie J. Hammond, Bertha M. Poor, Bertha R. Paige.
